

## Third Night Of Raids Indicated After Calm During Daylight Hours

Continued from Page One

Unofficial information was that two world-famed museums had suffered. (Censorship forbade their identification.)

"London has once more been the main objective of the enemy and its citizens have met the blind savagery of these latest night attacks with admirable courage and resource," the communique said.

Britain's dogged bomber force meanwhile was reported by the air ministry to have set fire to a great swath of Germany's port city, Hamburg, in a three-hour and 15 minute last night strike.

### Hitler's Plan Being Broken Up

At the same time authoritative sources declared Hitler's plan of following up the London bombings with an invasion was being systematically broken up by British counter-attacks on his concentrations of barges and boats at French bases across the Channel.

"We waited until they got a nice lot together, then struck," said one source.

Describing the raids on Germany, an air ministry bulletin said many sticks of bombs destroyed the Rhine and Wess shipbuilding yards and that two fires were reported close to the mouth of the Elbe.

Influenced by the storm of anti-aircraft shells, the glare of searchlight concentrations, patches of thick cloud and mist, and added the raiders quailed above the great black sea of the English Channel, said the bulletin.

Methodically plunking their targets, they released salvo after salvo of heavy bombs and hundreds of incendiaries. Respectively, stocks of heavy bombs were in crash zones the docks and port installations.

GLARE OF FIRES

Retaining pilots declared they could see the glare of the resulting conflagrations in the air far away as 60 miles as they headed back over the English coast.

The raids on London last night were made by an estimated 150 bombers.

More than 50 persons were believed to have been killed when a huge bomb demolished a whole block of flats in the east London district.

The London press declared unanimously the direct onslaught was full force.

An air ministry official said September is "undoubtedly a very critical month of the war, and added that even if England had four times over of fighter planes it would still be impossible to prevent some of the bombers from reaching the coast.

COUNTING THREATS

A government announcement of British air raiders Sunday night along the Nazi-held coast, bombing ships and large concentrations, said such operations are continuing.

The minister was accompanied by Col. A. M. Lawson, executive director of the Ralston Air Force, and Col. J. K. Macdonald, director of military training.

Col. Ralston had planned to leave the capital early yesterday by Royal Canadian Mounted Police plane but the flight was held up by bad weather which also kept the regular plane from leaving.

The minister's first official stop will be at Ralston, where he will spend Monday. His four-hour visit, which is his first since he became minister, will be followed by a visit to Regina, returning to Ottawa on Sunday.

## BOY SHOOTING BROTHER IN GUN MISHAP

Exclusive to Edmonton Bulletin

ATHABASCA, Alta., Sept. 9.—A tragic fatal shooting accident was checked in the woods 15 miles northwest of town Sunday afternoon when Ladimer Bowdoin, 10, shot and instantly killed his six-year-old brother, Rudolph. The bullet passed cleanly through the lad's heart and he dropped dead in the bush. The boys are sons of Bill Bowdoin, farmer of the Bowdoin.

The 10-year-old Ladimer had been given a .22 rifle by his father. He was out with a rabbit hunt. He apparently did not know that his brother was in the woods.

When Ladimer saw a rabbit move in the bush he fired before he saw his brother step into the line of fire. Dr. E. K. Wright was called to the scene and Cpl. F. A. Olson of the R.C.M.P. is investigating.

Alberta Pioneer

Dies At 84 Years

Don Macdonald, 84, resident of Alberta since 1887, died at the weekend at the home of his daughter, Mrs. George Cooke of Athabasca.

Mr. Macdonald was born in Scotland and came to Canada in 1887 and shortly afterwards took up land near St. Albert. Since then, as the country grew up this hardy pioneer pushed further north, developing the country as he went. He took land also in the Vinny-Cline district and finally in the Greenock community, 16 miles west of Athabasca.

For the past few years he had lived with his daughter, Mrs. Cooke. His family of four sons and five daughters all were present at the funeral Sunday. These were Donnie of Edmonton, Louis, Freddie and Wallace of the Vinny-Cline district, and Alex who operates a sawmill.

Mr. Macdonald was a member of the United Church of Canada. He was also a member of the Greenock community, 16 miles west of Athabasca.

## CALGARY CLUBS MAKE CLEANUP

CALGARY, Sept. 9.—Calgary's Detroit softball club made a clean sweep of 1940 provincial adult championships over the weekend, when Detroit Gladiators turned back Lethbridge Gladiators at Dairyo and Elks supplied Edmonton Maple Leafs at Mewata Park.

Dairyo swept its series with Gladiators, taking the second game 2-0 to win the title, the team having won the first game in Lethbridge a week ago. Elks, after dropping the second game of the series Sunday afternoon 3-5, rallied strongly in the eighth and won the title with a smart 3-1 victory.

Johnny Fulphurge, as Dairyo pitcher, missed a perfect game by a single hit as he shutout Gladiators in the seventh inning. M. Hunt, centre fielder, spoiled the no-hit, no-run performance in the ninth inning by being out at first base, but following batters were retired in order to leave him stranded on third base.

In an exhibition nightcap, Gladiators defeated Gladiators 10-5. Elks and Edmonton played an exceptionally close series at Mewata Park, each of the games being won by only two runs.

The northerners won the first game in the eighth inning when McCalley scored four runs with a long home run while the Sox were leading 10-1. The last game Elks played winning their stars. Dave "Sweeney" Schirmer and Elsie Worne, who pitched a no-hit game, tied in the first inning.

Schirmer and Worne, both taking victory training, were able to secure leave for the second encounter and control the game. The Calgary club played steady, straight ball and converted five hits into three runs. Elsie Worne, pitching for Elks, limited his opposition to four hits and allowed no runs in the contest. Elks scored three runs in the first inning, but the Sox scored a run in the first inning.

## Detroit Within One Point of Cleveland

NEW YORK, Sept. 9.—Bob Feller went to the mound yesterday at the start of the ninth inning with the score tied at 4-4 and hurled two scoreless stanzas (one hit, three strikeouts, one walk) before Jeff Heath doubled and scored the run that helped Cleveland beat Chicago White Sox 5-4 in the 10th.

This broke a six-game tussle by the Indians and kept them mathematically in front of Detroit, although the two are tied in games won and lost. The Yanks also won to stay a game behind.

Detroit battled from behind again to beat St. Louis Browns 5-4. Schaubert Row suddenly blew in and hit the Browns score four runs in the fourth inning. Tommy Bridges was called out for his first relief of the year. He got credit for his 10th victory when Rudy York powered in the eighth to break a tie score.

The Yankees overthrewed the Red Sox 9-4 to dim Boston's pennant hopes, although the club only five games behind the leaders and still technically in range.

Washington Senators and Philadelphia Athletics doubled a doubleheader. The Senators squeaked through to a 7-6 triumph in the first game, 7-5 taking the evening nightcap 4-0.

Cincinnati Reds were spellbound when Vern O'Brien and Phil Cavarretta captured a 3-1 decision by bunting 10 hits in the first inning against Milwaukee. The Reds scored a run in the first inning, but the Braves scored a run in the first inning.
